

Year 13 University Destinations

Our most recent year 13 leavers are all on to the next stage of their journey. As a result of the students' hard work in combination with a highly talented and dedicated teaching and wider support staff network, our Year 13 have again recorded a magnificent set of results. They are now off to the Universities and destinations of their choice and we wish them continued success in the future.

A quarter of our students have secured a place at one of the prestigious Russell Group Universities, where they are studying courses such as English, Engineering, Medicine and Chemistry.

The careers support that the year 13 students receive is varied and wide ranging. It includes the following:

- On-site Academic and Industry speakers
- Talks from former students
- Opportunity to have an appointment with an Independent Careers Advisor
- Help with sourcing work placements
- Detailed university admissions guidance through UCAS
- Personal Statement and CV Preparation
- Tailored support for Oxbridge and other competitive entrance courses such as Medicine
- Mock Interviews
- Careers Bulletin disseminating full range of post-18 opportunities including apprenticeships, job vacancies and alternative training routes
