## Re: Student Success at St. Mary's

Dear Parents,

As you may know, the latest 2018 School League Tables were published last week. They show an extraordinary set of achievements from St. Mary's students:

At GCSE St. Mary's is now Hertfordshire's highest performing maintained Secondary School, and in the top 13 of all State Secondary Schools across Hertfordshire. Nationally, the school is in the top 8%. At A Level, St. Mary's is now the highest performing maintained Secondary School, and in the top 19 of all Hertfordshire's State Secondary Schools, for average Points Score per student.

As you can imagine, the school community is thrilled with the confirmation of these results. They are testament to a team effort from our wonderful students, teachers, parents, priests, Diocese and all those in wider support roles across the parishes and communities we serve.

Thank you for your continued support of the school community.

Yours sincerely,

Andrew Celano
