

Year 13 University Destinations 2021

Our most recent year 13 leavers are all on to the next stage of their journey. As a result of the students' hard work in combination with a highly talented and dedicated teaching and wider support staff network, our Year 13 have again recorded a magnificent set of results in very challenging times. They are now off to the Universities and destinations of their choice and we wish them continued success in the future.

A third of our students, going to university, have secured a place at one of the prestigious Russell Group Universities, including 4 Oxbridge places, where they are studying courses such as Anthropology & Sociology, Medical Genetics, Computer Science, to name just a few.

The careers support that the year 13 students receive is varied and wide-ranging. It includes the following:

- On-site Academic and Industry speakers
- Talks from former students
- Opportunity to have an appointment with an Independent Careers Advisor
- Access to Unifrog, the complete destinations platform
- Help with sourcing work placements
- Detailed university admissions guidance through UCAS
- Personal Statement and CV Preparation
- Tailored support for Oxbridge and other competitive entrance courses such as Medicine
- Mock Interviews
- Careers Bulletin disseminating full range of post-18 opportunities including apprenticeships, job vacancies and alternative training routes
