We are very much looking forward to seeing you at the Year 9 Options Evening on Wednesday 8 February where our subject teachers will be on hand to provide you with key information regarding their subject area. This is a very important evening and it is an expectation that all parents and students attend as we prepare for the GCSE curriculum and making options choices.

When you arrive on Wednesday 8th February, please come to the main Hall where an 'Options Booklet' and a personalised 'Pathways letter' will be available to you and your child.
The options process running order for the evening will be as follows:

7pm	Options Evening speech delivered by Mr Johnston in the school Hall, including all the important information, dates, explanation about the curriculum and your role in supporting your child.
7:25pm	All parents and students are warmly invited to visit the 'Subject Market-place' event in the Sports-hall to speak to teachers and find out more information about each GCSE subject.
