

C1 - Behaviour Policy and Guidelines

Due to Covid 19 the schools behaviour policy has been reviewed in preparation for full school opening in September 2021. The principle and mission of St. Mary's remains the same and changes made reflect the DfE regulation and behaviour guidance.

Principle

St Mary's School mission is to seek to provide a Christian education of the highest possible quality in the Roman Catholic tradition. St Mary's emphasises that education is a partnership between pupil, parent and school. Pupils have been involved in the development of the classroom code, which will be displayed in all classrooms. School rules and codes will be published annually in the New Intake Brochure and Staff Handbook with guidance provided to teaching staff for the use of Rewards and Sanctions. A "Summary of the School Rules" is published in the planner and a revised version in light of new DfE guidance will be sent home electronically to be signed by both student and parent.

At an individual level parents will usually be informed of ongoing problems through the Student Planner/SIMS in touch parental app and will always be notified of detentions directly or in writing, at least 24 hours in advance. Parental comments, through the student planner or otherwise, are always welcomed, but for serious matters, parents are encouraged to contact the Form Tutor, Learning Coordinator, Assistant Headteacher, or Acting Heads of School with any concerns and through info@stmarys.net. Parents are asked to support the School Behaviour Policy and the use of reasonable sanctions.

For ease, the Behaviour Policy and Guidelines document is split into sections for ease of reference:

ST MARY'S CATHOLIC SCHOOL

Aims

Within the context of the school's two guiding principles, St Mary's seeks to:

- promote the Christian values of honesty, fairness and respect for others;
- ensure the safety and well-being of all pupils and staff;
- create a calm ethos about the school;
- encourage pupils to recognise and respect the rights of others;
- maintain the individual self-esteem of all pupils;
- encourage pupils to have ownership of their behaviour and accountability for their actions in the knowledge that inappropriate behaviour will be challenged;
- develop pupils' self-discipline and self-control to enable them to be on task with their learning;
- promote high teacher expectations of pupil behaviour and achievement;
- create a culture of learning in the classroom;
- raise standards of achievement so that the school achieves its goal of being in the top 25% of schools;

Guidelines

To achieve the stated aims in the context of the guiding principles:

1. There will be a set of School Rules governing conduct and behaviour, derived from the school mission and DfE behaviour guidance due to COVID 19. These will be made known to parents, pupils and teachers.
2. There will be a Classroom Code of Conduct, developed by teachers and pupils. This will be displayed in every classroom.
3. There will be a School Policy on Homework, which will include sanctions for non-compliance. This will be published annually and made known to parents, pupils and teachers.
4. There will be School Guidelines, which set out a protocol to be used by staff for breaches of school codes, including sanctions to be applied. These will be published annually and implemented consistently by all teachers so that pupils know what will happen. This will be shared with students annually in the Behaviour Expectations Assembly.

School Rules

Principles

St Mary's is a community which is Christ centred and seeks to live its Gospel values. We undertake to maintain each person's worth and human dignity in our dealings with each other. St Mary's has high expectations for its pupils and expects high standards of behaviour. Conduct is based on Christian standards of courtesy, service and unselfishness.

CONDUCT AND BEHAVIOUR

St Mary's has two guiding principles:

- **All individuals are valued for themselves in the sight of God and so staff and pupils treat each other with respect and courtesy at all times.**
- **All young people have God-given talents and must work hard to develop their potential and make use of their abilities.**

All rules are based on these:

- Pupils must treat each other, and staff, with courtesy and respect at all times.
- St Mary's is a place of learning. Not only are students expected to work, to maximise their own talents, they must never behave in a way which would hinder the learning of others.
- Taunting and verbal intimidation is a form of violence for which there is no place in a Christian community. It will be dealt with in accordance with stated school policy.
- Pupils are expected to behave in a polite and courteous manner both in and out of school. The school reserves the right to punish pupils for any misbehaviour out of school which is likely to damage our good name. Pupils are the school's ambassadors and high standards of behaviour are expected on their way to and from school.
- Pupils will be expected to quickly follow all instructions given in respect of their safety or the safety of others. Failure to do so will result in the usual sanctions, e.g. minus house points and detentions. A deliberate, knowing, serious or repeated failure on the part of students to follow guidance in relation to theirs and others' safety must be treated seriously. Ultimately, for the most serious breaches or constantly repeated minor breaches, this could lead to exclusion. For example; purposefully coughing, sneezing or spitting at/on/towards someone, not maintaining social distancing and deliberately mixing with pupils from other bubbles.
- Pupils will be expected to clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating.
- Pupils must wear a face mask on public transport.
- Playground games which risk injury to property or people are forbidden.
- No chewing gum is permitted on site.

ST MARY'S CATHOLIC SCHOOL

- School uniform must be worn correctly at all times. Outdoor coats and scarves must not be worn in classrooms. Outdoor coats and scarves must be navy blue or black only. No leather or denim coats or hoodies are permitted. Ties must show seven stripes. Shirts must be tucked in.
- Extremes of hair style must be avoided and hair should at all times be natural in colour and well groomed. Any and every extreme as judged by the Acting Heads of School but specifically including those which are a combination of shaven sections contrasting with other sections of longer, scissor cut hair are not permitted. Any long hair should be tied back, not up, for the reason of safety. No makeup, no fake tan, and no nail varnish or extensions remain in place, as are other noticeable appearance altering treatments, e.g. eyebrow treatments. Facial hair can be grown by students in the Sixth Form, if tidy and well-kept, at the Head's discretion.
- No jewellery may be worn apart from a plain cross and chain, wrist watch and one pair of plain gold or silver stud earrings in the earlobe. Please note that no jewellery of any value is to be worn. "Smart" watches are not permitted due to safeguarding issues.
- Pupils must not leave money or any other valuables in unattended bags or coat pockets. The School cannot accept responsibility for stolen property.
- Mobile phones may not be used on the school site. If a student breaks these rules the phone will be confiscated and pupils receive a detention. The phone is returned after the detention has been completed.
- Unauthorised buying, selling and gambling is forbidden.
- Pupils caught stealing or vandalising property will be dealt with severely.
- The behaviour of a pupil outside school can be considered grounds for an exclusion.
- Bringing alcoholic drinks, cigarettes or matches onto school site is strictly forbidden. Pupils who bring any of the items onto school site will be sanctioned accordingly and may face an exclusion.
- If a student is found in possession of, or brings any illegal substance onto school site this will probably lead to permanent exclusion.
- Use of Vapes, e-cigarettes, shisha pens and/or or having any related paraphernalia will probably lead to permanent exclusion.
- Knives or any other offensive weapons must not be brought into school. Carrying an offensive weapon or instrument, where the intention was to threaten, alarm or injure into school, may face permanent exclusion.
- If a report of peer-on-peer sexual harassment is made an investigation will take place led by the DSL, both sets of parents will be informed and if deemed necessary to do so a report to the police will be made. Students will be supported to report harmful sexual behaviour or harassment. The school will not tolerate sexual abuse and harassment and if a student engages with such behaviour they will probably be permanently excluded.
- The school reserves the right to request that a drugs test, paid for by the parent but arranged by the school, is taken by any pupil about whom the school has evidence of their engagement with drugs or drug taking paraphernalia. Families who present evidence of financial hardship may have the test paid for by the school.

The reason for such a request is so that parents and school can identify and manage any substance experimentation from a position of knowledge. Knowing whether there is an issue, and what sort of issue, is helpful for the parent and the school. For example, it can help secure the right help for the child, as well as inform the school in a way which means the child's safety can be better assured. The school does not believe there are reasonable grounds for objecting to such a test, and indeed might form the view that objecting is a form of hiding an issue. Such a refusal may ultimately form an act of preventing the school from doing everything possible to keep the child safe. As such, a tight Safety and Support Plan may need to be implemented, and this may restrict the child's movements and access on and around site.

- Pupils under school leaving age engaged in out-of-school employment must have a work permit, issued by the County Council. Details available from the school office.
- Pupils under school leaving age who require a leave of absence must seek the permission of the school. The appropriate form is available from the Heads PA and is only granted in unique circumstances.

Movement of Pupils

1. Students may arrive from 8:15, but should endeavour to arrive from 8:20am .Pupils must go to their form rooms at 8:25am ready for form time to start at 8:30am.

2. Pupils must walk on the left and give way to people leaving a classroom and coming downstairs. Students should use the one-way system as directed around the school site.

3. Bicycles must be maintained in a safe condition and securely locked. Bicycles are left at the owner's risk in the cycle shed. Interfering with bicycles belonging to others is strictly forbidden.

4. Pupils must not leave the premises between 8.15am and 3.15pm unless they have an authorised appointment, in which case they must bring a note from home to be countersigned by the Learning Coordinator. Pupils given permission to leave school must report to the school office on leaving and on their return.

5. Years 7 - 11 must not be in the building during lunchtimes except to use the library, dining room, chapel, and toilet or to attend a practice, club or rehearsal. In the event of bad weather all pupils may stay in the designated room for "Wet Weather".

6. All pupils enter and leave the school by the entrance on the Great Hadham Road. Pupils coming to school by car must not be left by the Windhill entrance to the school.

7. At morning break and lunchtime pupils may eat in the dining room or outside. **ALL LITTER MUST BE PLACED IN THE BINS PROVIDED.**

8. Students will be required to sanitise or wash their hands at the following times:

- When first arriving in school
- At the start of each lesson
- Before and After eating
- After using the toilet
- After using any equipment that has been shared with others
- After following the 'catch it, bin it, kill it' approach

ST MARY'S CATHOLIC SCHOOL

9.No bags may be taken into the dining room or library. They must be left in form rooms wherever possible or on the shelves provided in the dining room for years 10 and 11 and on the outside racking for years 7-9.

10.Pupils may not go to the top field unless supervised.

Rewards and Sanctions

Rewards - House Points

House Points are awarded for academic work, positive contributions and engagement in the wider life of the school. The majority of House Points will be awarded by Teachers (for outstanding contributions in class) and by Tutors (for outstanding contributions to school). These will be recorded on 'SIMS by the teachers.

At the end of every fortnight the Learning Coordinator will tally how many House Points students have received as a form group..

Sanctions

St Mary's encourages a positive approach to self-discipline with an emphasis on rewards rather than sanctions. However, the school has a structured approach to sanctions which will be imposed for breaches of the school rules, classroom code and homework policy. These include verbal reprimands, impositions, departmental and school detentions. Parents will be informed of persistent problems and will always be notified of after school detentions via email in advance. Exclusions are always a last resort but will be used in serious instances. Parents are asked to support the school in the imposition of reasonable sanctions and contact the form teacher or Learning Coordinator with any concerns.

The table below highlights the balance between rewards and sanctions and how they can be given.

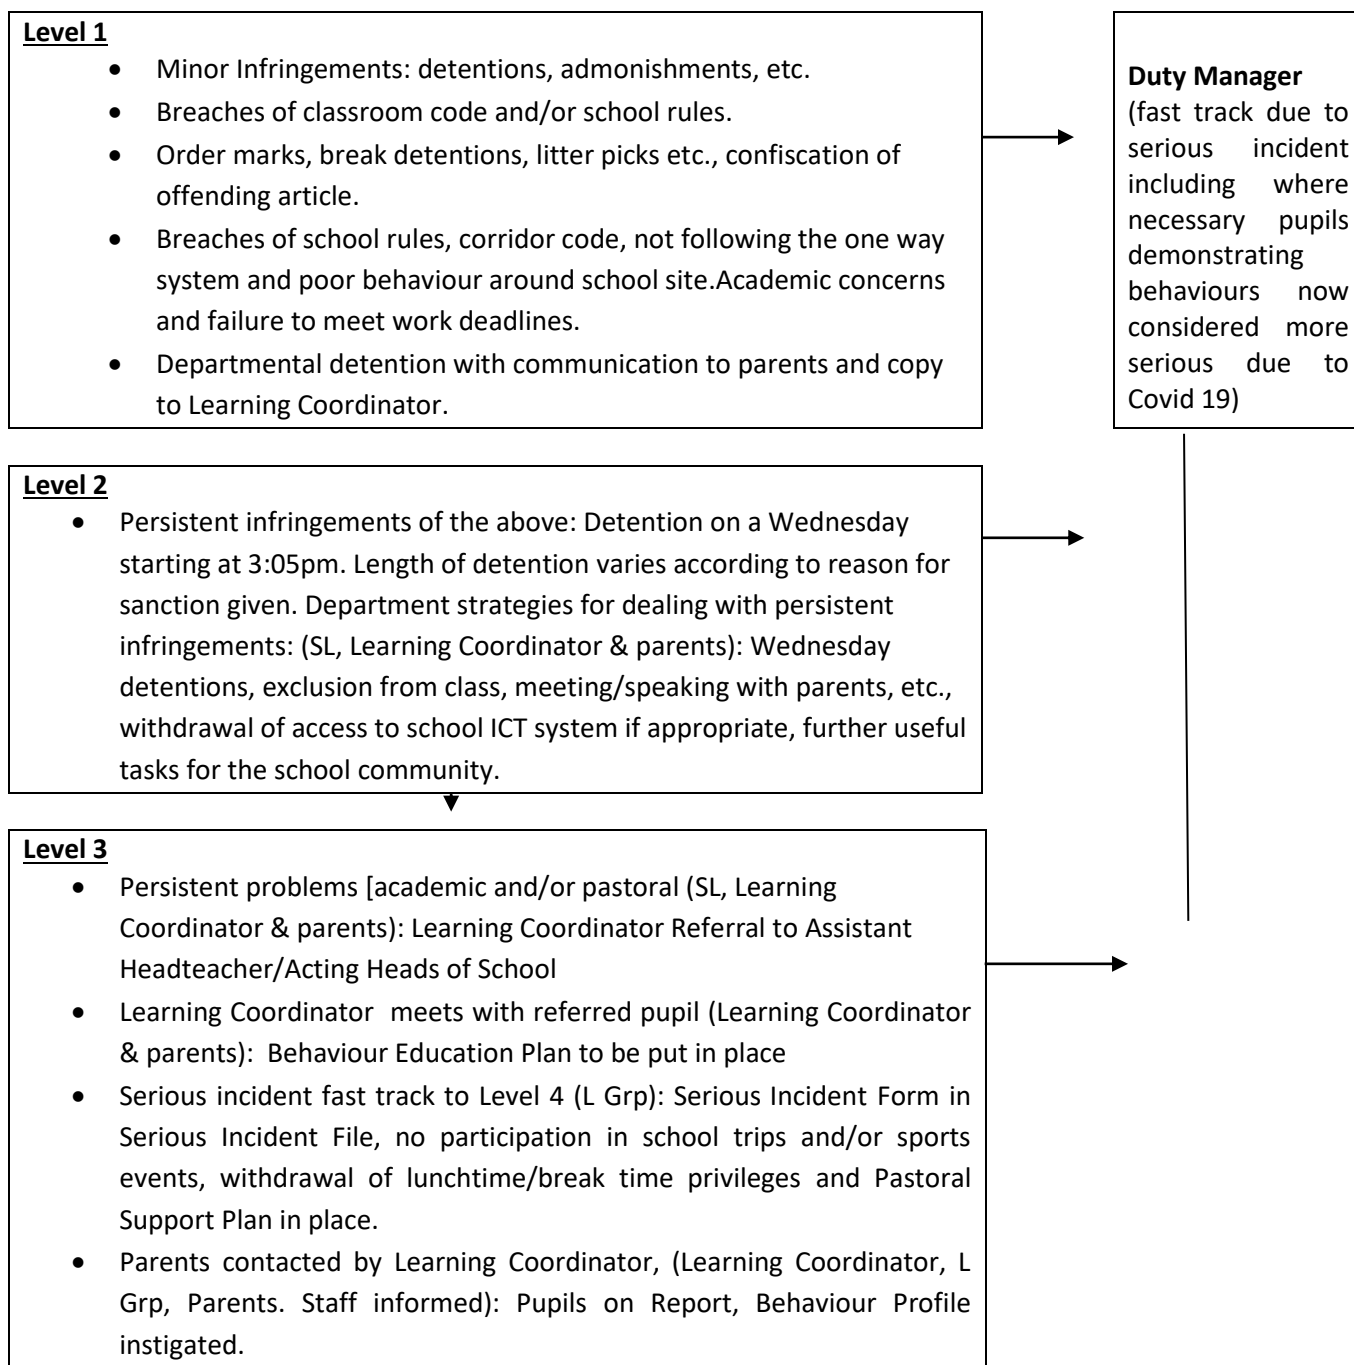

Reward	Points	Authorised by	Points	Sanction
HEADTEACHER'S AWARD - Recommendations from SLT for outstanding contribution/progress - Student invited to HT Office to sign Headteacher's book	+30 Pts	Headteacher & SLT	-30Pts	FIXED TERM EXCLUSION - For Very Serious Incident or Failure to meet terms of revised BEP - Parents informed by letter and exclusion recorded on SIMS

Parents should note that the school may impose after-school detentions as a sanction in certain situations. Notice will always be given in such instances but it is the responsibility of the parent to arrange suitable transport.

Sanctions Behaviour Policy Flow Chart

General guidance on applying sanctions: Staff are asked to be consistent and reasonable in the application of sanctions. Nevertheless the age, special educational needs, and disability and religion of the pupil must be taken into account.

Level 4

Problems continue: Learning Coordinator will impose the following sanctions:

- Regular detentions;
- Internal exclusion;
- INSET/End of Term detentions;
- Discuss pupil's problems with Manager responsible for the pupil's Key Stage;
- Records compiled (incl. Behaviour IEP and Profile);
Disapplication from subject if required;
- Extended work experience and other alternative strategies;
- Withdrawal of coach travel pass.

Level 5

- L Grp refer matter to Acting Heads of School: Letter to parents warning that there is a risk of exclusion; Continuation of all of the above strategies and review of Pastoral Support Plan.
- One off very serious incident or problem continues - leads to: Acting Heads of School excludes pupil for a fixed period of time; this school does not usually exclude pupils for longer than 5 school days.
- Contract for appropriate behaviour negotiated on pupil's return to school through 'Reintegration Action Plan' signed by parents and pupil on agreed expectations:
- Staff, parents & pupils informed that the pupil is at risk of permanent exclusion.

Level 6

- Problem continues or one-off Serious Incident (e.g. Drugs, Weapons, demonstrating behaviours now considered more serious due to Covid 19):
 - HT applies the governors' behaviour policy leading to permanent exclusion of pupil:
 - Governors review the decision.

Note: i) Adults who are not members of staff, and who have a supervisory role at a fixture or on a school event or activity should refer poor behaviour of pupils to a member of staff as soon as possible. The member of staff will then implement the school policy. Support staff have the authority to apply sanctions in the same way as teachers but are advised to refer the matter to a teaching colleague rather than dealing with a misdemeanour themselves.

ii) The use of sanctions will be analysed by age, ethnicity, gender, SEN and disability by the Assistant Headteacher. Any emerging pattern will be monitored, and appropriate action will be taken to avoid bias.

Code of Conduct

There is a classroom code on display in every teaching area. Pupils are expected to follow this code at all times.

Disruption to the learning of others is unacceptable at St Mary's.

Classroom Code

1. You must be punctual for lessons.
2. Line up quietly outside the classroom and wait for the teacher.
3. Sanitise your hands at the start of each lesson
4. Maintain the safety of yourself and others by demonstrating good respiratory hygiene practice by following the 'catch it, bin it, kill it' approach
5. Stand behind your chair and say 'Good Morning' or 'Good Afternoon' to your teacher when greeted.
6. Make sure you bring with you all the books and equipment you need for the lesson including tissues and hand sanitiser
7. Be silent when your teacher is speaking – a lack of respect to all adults in school will not be tolerated.
8. Do not call out in class. Raise your hand if you want to ask or to answer a question.
9. When you are set work to do in class, work quietly.
10. Do not leave your place without permission.
11. You will not normally be allowed to go to the lavatory during lesson time. Go at break, lunch-time, or if necessary between lessons.
12. The end-of-lesson bell is a message to your teacher. He or she will tell you when the lesson is over. Leave in an orderly fashion.
13. Bad language or racist terminology will not be tolerated at any time.
14. Members of staff must be addressed politely by name.

The Corridor Code

1. Walk in single file, on the left following the one way system
2. Bags and equipment should be carried sensibly and kept with them at all times so that they do not endanger or cause injury to staff or pupils. Unclaimed bags will be taken to lost property. Items will be donated to a local charity shop if not claimed within one term.
3. Food and drink must not be consumed in the corridor.
4. Movements must be calm and orderly.

Differentiation of Sanctions for SEN Pupils

Where pupils understand the rules, know they should follow them, have the social and emotional skills to follow them but fail to do so due to their special educational needs, the school will consider if it is appropriate to exempt them from normal sanctions, or have those sanctions modified so as to be less severe. Similarly, it is a statutory obligation to ensure that disabled pupils are not placed at a substantial disadvantage in comparison with pupils who are not disabled (a duty to make 'reasonable adjustments'). This would include making reasonable adjustments to the statement of principles, school-behaviour policy and disciplinary practices.

However, there are risks in such an approach. Modifying or not applying a sanction is what would usually happen in a home-setting where a parent or carer, knowing their child to be going through a difficult time, would be more lenient with them for a period. This is manageable within the relatively small community that is a family. However, in the much larger community of a school, there will be concerns about the impact on others of one child being seen to be treated differently from others.

There are also questions about whether it is always helpful to waive or reduce expectations simply because a child or adult is under stress. Adults do not expect to be let off a speeding fine because they were under stress, however great. The consistency of the rule of law and the maintenance of expectations is an incentive to choose safe and appropriate behaviour even at the most difficult times. Similarly, it is likely that having pupils understand that some behaviours, particularly those that place others at risk, will always carry a sanction and will help them to make appropriate behavioural choices, even when they are under stress.

What is important is how the sanctions are managed. The pupil needs to know there will be a sanction, but also that adults understand the feelings and personal circumstances which led to the event, are concerned about their welfare, and will put in place appropriate support systems for the future.

For behaviours that do not carry a risk to others, the school may well decide to modify a sanction in the light of the pupil's personal circumstances. Sparingly used, such adaptations can be explained to other pupils and fully accepted by them as appropriate and fair. However, this aspect of the behaviour policy can only be effective if, in general, the sanctions and rewards system is utilized in a highly consistent manner. Therefore parents and pupils should expect the usual sanction to be applied in almost every case: it is unlikely that the personal circumstances of a pupil will come into consideration if he/she has not previously been identified on the school SEN register as facing specific challenges.

Confiscation

The rights of staff to confiscate items:

The school can search, with or without consent, for items banned under this policy, if the school has reason to think items of concern may be present. The school follows clear guidance in accordance with the Department of Education "Searching, screening and confiscation Advice for headteachers, school staff and governing bodies January 2018"

Mobile Phones

There is a clear Mobile Phone Policy on the website for your reference.

Policy

1. Phones must not be used for any purpose (e.g. phoning, texting, tweeting, surfing the internet, taking photos, checking the time, taking videos) on the school site.
2. Phones must always be switched off (not on silent mode) and kept out of view.
3. If a pupil breaches these rules the phone will be confiscated and given to the Finance office for safe keeping. The student will be issued a 1 hour detention on Friday afternoon for infringement of the school rules. The phone will be returned to the student after the Friday detention.
4. Further breaches of this policy will invoke a meeting with the pupil's parents.
5. Phones must not be taken into examinations.

Sixth form students may be given extra privileges in relation to mobile phones, at the discretion of the head of sixth form.

Emergencies: If a pupil needs to contact his/her parents/guardians they should be allowed to use a school phone. If parents need to contact children urgently they should phone the school office and a message will be relayed promptly.

Responsibility for mobile phones: School accepts no responsibility whatsoever for theft, loss, damage or health effects (potential or actual) relating to mobile phones. It is the responsibility of parents and students to ensure mobile phones are properly insured.

In some circumstances it may be reasonable for a member of staff to ask a pupil to reveal a message for the purpose of establishing whether cyberbullying has occurred, for instance. Senior staff may need to search through the data on a pupil's phone for pastoral reasons. The staff member can, however, legitimately issue a disciplinary penalty for failure to follow a reasonable instruction.

Where mobile phones are confiscated, staff will give the phone to the finance office for safe keeping, and notify the relevant Learning Coordinator. The Learning Coordinator will return the phone after the detention has been served. The school has considered the safety of pupils, the majority of whom travel by car, train or school coach: replacement phones are available on loan.

"Smart Watches" are not permitted due to their function of being able to photograph/record as they present safeguarding concerns.

Detention

When can a detention be held?

School staff have a statutory power to put pupils aged under 18 in detention after school sessions, and on some weekend and non-teaching days.

The times outside normal school hours when detention without parental consent may be given are evenings (as previously), plus weekends and certain non-teaching days (days which have been set aside wholly or mainly for members of staff to work but not to teach pupils, sometimes referred to as 'training days', 'INSET days' or 'non-contact days').

Where detention takes place on a Saturday or on an INSET day, the requirement for 24 hours' notice to be given to parents via email, schools should ensure that both parents and pupils are informed:

- What the day is going to be used for;
- When the pupil is required to arrive and when they will depart, and that the family needs to ensure suitable arrangements are in place for the pupil to get to and from school;
- Which members of staff the pupil should report to;
- Whether uniform should be worn;
- Whether the pupil needs to bring:
 - packed-lunch and drink
 - any medication
 - any coursework
 - other learning materials
 - That the school has a legal power to impose the disciplinary penalty of detention, and what the consequences would be for non-attendance.

To whom does a detention apply?

The sanction of detention can only be applied to pupils aged under 18.

Notice of Detention

The school will give parents 24 hours' notice of detentions outside school sessions. The 24-hour notice period is intended to inform parents of where their child is expected to be, and to allow parents an opportunity to make alternative arrangements for travel for the child. The school will take careful account of the circumstances of the detention known to them, for example, family holidays and care duties, or other commitments of the family. However a mere inconvenience or disagreement with the penalty on the part of the parent is no excuse for non-attendance.

The required 24 hours' notice of a detention may be given by:

- A letter delivered by email via SIMS in touch.

Conclusion

This Policy will be approved by governors and reviewed annually. It will form the basis on which the school management and staff manage the behaviour of pupils at the school on a day-to-day basis. The emphasis will always be on providing a safe and secure environment for pupils, with a Christian ethos, where effective learning can take place.

A Summary of the School Rules

- 1) School attendance is mandatory. The only exception will be pupils who are unable to attend:
 - In line with public health advice
 - Due to them having Covid symptoms
 - Due to a positive test result themselves
- 2) Parents must ensure that their child is collected from school immediately if they develop Covid 19 symptoms whilst onsite
- 3) Pupils may arrive onsite from 8:15 am but are encouraged to arrive no earlier than 8:25am
Pupils must move straight to their designated form room at 8:25am
- 4) Pupils must sanitise or wash their hands at the following times:
 - When first arriving in school
 - At the start of each lesson
 - Before and After eating
 - After using the toilet
 - After using any equipment that has been shared with others
- 5) Pupils must implement the 'Catch it, Bin it, Kill it' approach at all times
- 6) Pupils must wear a face mask on public transport
- 7) Conduct: good manners, orderly behaviour, neat and clean dress together with obedience to staff are required at all times, including journeys to and from school both on foot and public transport. When travelling around the site pupils must always keep to the left in corridors and on stairs following the one way systems around the school site. Noise in the corridors should be kept to a minimum.
- 8) Pupils must arrive to lessons promptly and line up in single file quietly outside the classroom
- 9) Uniform must be correctly worn at all times: top shirt button must be fastened, ties with 7 stripes, shirts tucked in, blazers worn at all times except at the discretion of individual members of staff in the lessons
- 10) Extremes of hair style must be avoided and hair should at all times be natural in colour and well groomed. Any and every extreme as judged by the Acting Heads of School, but specifically including those which are a combination of shaven sections contrasting with other sections of longer, scissor cut hair are not permitted. Any long hair should be tied back, not up, for the reason of safety
- 11) No makeup, no fake tan, and no nail varnish or extensions remain in place, as are other noticeable appearance altering treatments, e.g. eyebrow treatments
- 12) Facial hair can be grown by students in the Sixth Form, if tidy and well-kept, at the Head's discretion
- 13) No jewellery may be worn apart from a plain cross and chain, wrist watch and one pair of plain gold or silver stud earrings in the earlobe. Please note that no jewellery of any value is to be worn. "Smart" watches are not permitted due to safeguarding issues
- 14) All pupils must have pens, pencils, a ruler and be properly equipped including tissues and hand sanitiser for all lessons including Maths, Science, PE and practical subjects
- 15) Correction fluid and chewing gum are not allowed in school
- 16) There should be no graffiti on books or other property
- 17) Absence notes are required promptly (within 3 school days) after every absence, otherwise the absence will be recorded as 'Unauthorised'
- 18) Pupils must not leave a classroom in lesson time without a note
- 19) Challenges to staff authority may lead to a fixed-term exclusion
- 20) No mobile phones are allowed to be used during school hours
- 21) Pupils who **demonstrate behaviours now considered more serious due to Covid 19 eg deliberately coughing, sneezing and spitting at/towards/over another person** may lead to permanent exclusion
- 22) Students given an after school detention will be expected to make appropriate arrangements so the child can attend the detention.

23) Use of Vapes, e-cigarettes, shisha pens and/or or having any related paraphernalia will probably lead to permanent exclusion.

24) Knives or any other offensive weapons must not be brought into school. Carrying an offensive weapon or instrument, where the intention was to threaten, alarm or injure into school, may face permanent exclusion

25) If a report of peer-on-peer sexual harassment is made an investigation will take place led by the DSL, both sets of parents will be informed and if deemed necessary to do so a report to the police will be made. Students will be supported to report harmful sexual behaviour or harassment. The school will not tolerate sexual abuse and harassment and if a student engages with such behaviour they will probably be permanently excluded.

Please sign below (both Parent and Student) to confirm that the above school rules have been read, understood and will be followed, without exception.

It is vital that all students adhere to these rules, and that parents support them, if we are to run a safe, efficient, successful school and provide a happy environment within which to learn.
