

Can you offer any of our Year 10 / 12 students a work experience placement?

Do you own your own business and your insurance allows for work experience placements?

Or work in a company who allow work experience placements?

If so, please do get in touch with Mrs Knight our Careers Leader. We are looking to build up a portfolio of employers who are able to offer placements for those students who struggle to secure their own placement.

Please email info@stmarys.net FAO: Careers if you are able to help.
