It's National Apprenticeship Week! This week our focus is on enlightening all students how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career. Pupils will have taken part in apprenticeship themed form time activities, a PSHE lesson on apprenticeship levels and how to apply for one. In lessons, students have been spoken to about apprenticeships available in their subjects and a general careers buzz is in the air as students look to their futures. #NAW2023

GO EXPLORE

THE NATIONAL APPRENTICESHIP SHOW
