

Hello!

Careers has been super busy at the start of this term collecting Destination Data from the students who left us in Year 11 and Year 13 and getting everything ready and organised for the year ahead.

We have a Careers Carousel planned for Thursday 5th October 2023, if your business or employer would like to exhibit at the Carousel, please do get in contact with Mrs Knight. Our Careers Carousel will be a great opportunity for our students to meet with local and national employers, employees and speak to Further and Higher Educational providers to get an insight into what is available to them post 16 and 18.

All Students in Year 11 will be offered a Careers Information Advice and Guidance appointment with our external Level 6 Qualified Careers Advisor to talk through their post16 plans. These appointments are happening now and throughout the year. Students will be notified of their appointment by their form tutors and a copy of their Action Plan will be stored on their Unifrog Account under the Locker Section.
