Dear Parents,

### Year 13 UCAS Update

The end of Year 13 is fast approaching, and at this stage in the half term I thought it would be helpful to provide an update on UCAS and student finance applications.

Once students have received offers (or rejections) from all 5 of their applications they will need to make their Firm and Insurance Choices.

- If your child receives their last decision on or before **19 May 2022**, their reply date is **9 June 2022** (except if you're using Extra to find a place).
- If your child receives their last decision on or before **14 July 2022**, your reply date is **21 July 2022** (including Extra choices).

Students should carefully consider their options before making this selection and talk to staff if they are in any doubts about what to do.

### Student Finance Applications

Applications for student finance are now open. The student finance website guides students and parents through the process. New students should apply by 20 May 2022. It's quick and easy to apply online – it should only take around 30 minutes.

Applications can then be made online using the following website details.

As always, please feel free to contact me if you have any questions by emailing [info@stmarys.net](mailto:info@stmarys.net).

Kind regards,
