GUIDANCE NOTES

1. Students are classed as Employees for insurance purposes and will be subject to Health & Safety Regulations that legally require them to take proper care of themselves and others in accordance with the Health & Safety at Work Act 1974 - Section 7.
2. The employer will give an induction on the students first day that will include Health and Safety information, an Introduction to the team and tour of the premises.
3. Information on the company's 'Safe Working Practices' including emergency procedures and any relevant risk assessments as well as the job description must be covered.
4. Employers will risk assess the suitability of the work area, including any off site visits, prior to the commencement of the student placement.
5. Employers have primary responsibility for the health and safety of the student and must manage any significant risks.
6. Students will be assigned a supervisor and Employers will ensure the competent supervision of the student/s throughout the placement.
7. The school and the student must undertake, prior to placement, to inform the Employer if the student suffers from any medical/health condition or has any specific learning needs that may create a hazard to the student or to others with whom he/she will be working.
8. At no time will the student be left alone on the premises. The employer will inform the school if placements involve an element of 'one to one' working or 'one to one' travel, schools/parents/carer should consider whether this is a suitable placement for the student.
9. Students may be asked to sign an Employer Confidentiality Agreement
10. Student should adhere to the telephone, mobile, internet and social media policies of the employer.
