

Dear Parents and Students,

Examination Results Day and Sixth Form Enrolment

As the examination results day approaches, we would like to wish all of our students the very best of luck. We recognise the hard work, dedication, and resilience that has gone into preparing for these examinations, and we are incredibly proud of the commitment shown throughout the year.

Results Collection

Students can collect their results on **Thursday 20th August** from **8:00AM** in the **Sports Hall**.

If a student is unable to collect their results in person, they may:

- Nominate someone to collect them on their behalf (with written permission and appropriate identification), or
- Email the exams officer a.newman@stmarys.net, from their **school email account**. Note – only students can request that their results are to be emailed.

Results will only be released in accordance with the school's examination procedures.

Sixth Form Enrolment

Enrolment to the sixth form will be via the **Applicaa Application** that students have been using throughout the year. There will be support available, however, students should ensure they have access to the **Applicaa Application** and are able to sign in prior to results day.

Support and Advice

Staff will be available throughout the morning to provide guidance and support regarding:

- Sixth Form or college enrolment
- Post-results services, including reviews of marking and access to scripts
- Alternative pathways and next steps

Whether your results are exactly as expected or not, there will be staff on hand to help you understand your options and make informed decisions about your future.

Celebrating Success

We hope students will take a moment to reflect on everything they have achieved. Examination results are an important milestone, but they are only one part of your journey. Every student's path is unique, and we encourage everyone to celebrate their accomplishments while looking forward to the opportunities ahead.

We look forward to welcoming students on results day and celebrating their achievements together.

Yours sincerely,

ST MARY'S CATHOLIC SCHOOL
