

Dress Code

The way you look is important to the school and first impressions count. We expect all Sixth Form students to be smart and well-presented in a modest and professional business-like manner at all times, the following are a summary of the rules as they apply to Sixth Form:

Gentlemen

A suit with a shirt and tie.

Top button on shirts must be fastened.

Ladies

- A suit jacket with trousers or formal skirt (knee-length), all of which should look like they come from a suit though not necessarily the same suit. Colours should be suitably sober.
- Discreet jewellery and make up.
- Skirts must be knee length and appropriate material i.e. non-clingy and not figure hugging
- Tailored formalwear trousers (skin tight trousers/leggings/jeans etc are not allowed as they are unprofessional).
- Blouses/shirts must be plain (or subtly patterned): should have a collar and sleeves, and be of an opaque material.

If uncertain, please clarify the suitability of items of clothing and style with the Sixth Form Learning Coordinator. Students who are dressed in an undignified manner and/or are in breach of the dress code will be sent home to change into appropriate wear.

Mr C Palmer
Head of Sixth Form
